

2021 Scholarship Award Winners Say "Thank You"

"I am beyond grateful to have been awarded the Dr. William Lascheid Memorial Scholarship, which will help me lift my financial burdens, and I am humbled and honored to have been selected," said Ms. Mattia. "My volunteer experiences gave me great insight as to how a provider treats a patient; more specifically, I learned patient-based healthcare first-hand, and it is my calling to dedicate my life to those most vulnerable. I will remain actively engaged with those communities during and after medical school."

–Alexzandra Mattia, Naples, Florida State University College of Medicine, class of 2025

"I am extremely honored to have been selected this year. I am grateful for the Foundation's assistance in alleviating the financial burden that medical school brings, but even more for believing in me as a future physician. The Foundation has not only impacted my life, but the lives of all my future patients."

– Natalia Correa, Miami, medical student at the Florida State University College of Medicine, class of 2023

"This scholarship will allow me to achieve my goals and reduce the debt that I will acquire as I pursue my dream of becoming a patient-centered physician in my home state of Florida. I am honored and grateful to the Foundation for their support. Thank you for your generosity in selecting me as a recipient and thank you for believing in me!"

– Emily Gansert, New Smyrna Beach, Florida State University College of Medicine, class of 2024

"I am immensely honored to receive this award. This scholarship will be instrumental in reducing the financial burden of my medical education. Thank you all for believing in my dreams and empowering me to continue on my journey to becoming a compassionate physician-leader in my community."

– Charissa Obeng-Nyarko, Lauderhill, Florida State University College of Medicine, class of 2024

"As a first-generation Latino medical student, my passion for medicine is fueled by the ability to help improve patient health outcomes, especially in underserved communities. As I begin my second year of medical school, I am endlessly appreciative and motivated by the Foundation's significant investment in my future."

– Yordan Urrutia, Naples, Florida State University College of Medicine, class of 2024
