The Physician Directory

Collier County Medical Society's annual *Physician Directory* is a public service product to help Collier County residents and visitors make informed decisions when choosing a quality physician or healthcare provider. The Directory is the most comprehensive annual listing of physicians practicing medicine in Collier County.

We print 7,500-8,000 copies of the *Physician Directory* each fall, and all physician members and their office managers each receive a complimentary copy (and extras upon request for their patients). The public can also obtain a FREE copy at area medical facilities including hospitals and clinics, libraries, and other outlets, or by contacting the Medical Society directly.

The *Physician Directory* is a great resource for physicians and healthcare industry professionals as it lists the contact information and specialties for colleagues with whom they can consult and refer patients. Our members anticipate the new directory each year because it has become such an asset in their daily operations.

Product Details:

The *Physician Directory* is a full-color glossy booklet conveniently sized at 5.5" x 8.5", with a sturdy spiral spine that allows it to stay open easily. Colored tab separators help users maneuver through the booklet's sections. Physician members are listed both alphabetically and by specialty. The alphabetical section includes a color photograph of the physician next to his/her entry, as well as the physician's practice name, office address, phone & fax number, and specialty.
